ABOUT US

AL RAYYAN GENERAL TRADING AFZ is a UAE-based general trading and industrial supply company located in Ajman Free Zone. We provide reliable products, equipment, spare parts, components, and sourcing solutions for Marine, Mechanical, Oil & Gas, Electrical, Residential, and Engine Parts sectors.

Our commitment is to provide quality products, competitive sourcing solutions, dependable customer service, and timely delivery while building long-term business relationships with customers and suppliers.

QUALITY PRODUCTS

We deliver high-quality products that meet international standards and client expectations.

RELIABLE SOURCING

We source from trusted global manufacturers to provide the best solutions and value.

TIMELY DELIVERY

We ensure on-time delivery through efficient logistics and strong supply chain networks.

MECHANICAL SUPPLIES

We supply a comprehensive range of mechanical products, equipment, spare parts, and industrial components to support maintenance, construction, manufacturing, and industrial operations.

- ✓ Industrial Pumps
- ✓ Valves & Actuators
- ✓ Bearings & Mechanical Seals
- ✓ Pipes, Fittings & Flanges
- ✓ Fasteners & Hardware
- ✓ Industrial Tools & Equipment
- ✓ Compressors & Accessories
- ✓ Machinery Spare Parts

CRITICAL INDUSTRIAL & OIL AND GAS PRODUCTS

AL RAYYAN GENERAL TRADING AFZ supplies genuine critical industrial equipment, automation components, marine electrical systems, oil & gas instrumentation, protection relays, industrial networking products, generator controllers, diesel engine spare parts, and OEM electrical components from globally recognized manufacturers.

We provide reliable sourcing solutions for industrial plants, marine applications, power generation facilities, oil & gas projects, utilities, and infrastructure sectors worldwide.

01 OEM INDUSTRIAL PRODUCTS

Brand Name	Description
SCHNEIDER PARTS	- Acti9 iC60N 2P 6A C Miniature Circuit Breaker - Auxiliary Contact iOF - Ic60 - MCB Acti9 iC60N 2Pole 2A C Curve 6kA - Pilot Light with Integral LED - Red, 230V AC - etc.
AUTRONICA	- Power Loop 4-20mA Input Unit - Interactive Heat Detector with SelfVerify EEXIA HAZ IP56 - Monitored Output Unit - MANUAL CALL POINT-HAZ AREAS - etc.
TELEMA S.P.A	- Control Module for Contactor - Contactor 800A - 16kA for 4 Seconds - 40kA Peak - 24/50/125kV - KEY SWITCH FOR "REMOTE / LOCAL" c/w KEY (KEY REMOVABLE ONLY IN "REMOTE" POSITION) - SIGNALLING LED - RED - 110 V dc - FOR CONTACTOR CLOSED - etc.
MARELLI MOTORI S.P.A.	- Rectifier MJB 630-710 - Temperature Sensor PS0170 PT1 - Digital Regulator D-VO - Trasd Vibrazioni IFM VKV021 - etc.
PULS	- Power Supply with Integrated Decoupling Function, Input AC100-240V / DC110-150V, Output 24VDC 20A - etc.
PHOENIX / ABB / MOXA / AMC	- Second Generation Unmanaged Ethernet Extender, Point-to-Point, Ring Structure, SHDSL, 30 Mbps, 20 km, USB Diagnostics (PHOENIX) - Generator & Interconnection Protection Relay (ABB) - Managed Gigabit Ethernet Switch, 14 x 10/100BaseT(X), 2 x 100BaseFX Single Mode SC Ports (MOXA) - Vibration Isolator for Generator skid (AMC) - etc.
VEGA	- Fuel Level Transmitter for Diesel Fuel Tank - etc.

02 GENERATOR SETS

Model	Power	Rated Current	Diesel Engine Model	Cylinder
LT-50GF	50 kW / 62.5 kVA	90 A	1103A-33TG2	3
LT-80GF	80 kW / 100 kVA	144 A	1104C-44TAG2	4
LT-140GF	140 kW / 175 kVA	252 A	1106A-70TAG3	6
LT-600GF	600 kW / 750 kVA	1080 A	4006-23TAG2A	6
LT-1000GF	1000 kW / 1250 kVA	1800 A	4012-46TWG2A	12
LT-1600GF	1600 kW / 2000 kVA	2800 A	4016TAG2A	16
LT-1800GF	1800 kW / 2250 kVA	3240 A	4016-61TRG3	16

We can provide generator sets ranging from 3 kW to 3000 kW. Different diesel engine and alternator brands can be customize according to customer-specific requirements and project applications.

CRITICAL INDUSTRIAL & OIL AND GAS PRODUCTS

AL RAYYAN GENERAL TRADING AFZ supplies genuine critical industrial equipment, automation components, marine electrical systems, oil & gas instrumentation, protection relays, industrial networking products, generator controllers, diesel engine spare parts, and OEM electrical components from globally recognized manufacturers.

We provide reliable sourcing solutions for industrial plants, marine applications, power generation facilities, oil & gas projects, utilities, and infrastructure sectors worldwide.

01 OEM INDUSTRIAL PRODUCTS

Brand Name	Description
BUS BARs	Different Sizes Dc Copper braided BUS BAR. 
AUTO TRANSFER PANEL	- ATI250 - ATI630 - etc.
TELEMA S.P.A	- Control Module for Contactor - Contactor 800A – 16kA for 4 Seconds – 40kA Peak – 24/50/125kV - KEY SWITCH FOR "REMOTE / LOCAL" c/w KEY (KEY REMOVABLE ONLY IN "REMOTE" POSITION) - SIGNALLING LED - RED - 110 V dc - FOR CONTACTOR CLOSED - etc.
ELLIOTT	(Bolt in) bushing well for elbow to air-insulated - etc.
GE GRID SOLUTIONS-ITL	- VT,Indoor, Model:PT3-60/JVM-3C,Ratio:2400:120,0.5 Kva, Single Phase,60Kv BIL, 50Hz, Metering class: 0.3x - etc.
HBL POWER SYSTEM	- Thyris tors for Battery Charger - blocking diode - filter capacitor - Indicating Lamps for battery Charger panel - Electronic Control Unit for Battery Charger - NI CAD Battery for Genartor - Rectifier Fuses - Control Fuses - etc.
